

Guardian Security Storm Door Manufacturer's Certification Statement

This Manufacturer's Certification Statement is for qualifying door products purchased and installed on or after **June 1, 2009 through December 31, 2010**. *Products purchased and installed on or after June 1, 2009 will require a different Manufacturer's Certification Statement.*

This Manufacturer's Certification Statement provides the required documentation needed to receive an energy tax credit for Guardian Security Storm Doors that are built with a qualifying Security Storm Door as defined by the IRS Notice IR-2009-44 Section 1142 (dated 04-22-09) and the American Recovery and Reinvestment Act of 2009.

How to Qualify for the 2009 - 2010 Tax Credit:

1. Purchase and install qualifying products beginning June 1, 2009 through December 31, 2010.
Tax credit is for cost of product only, and does not include installation costs. Tax credit is for taxpayer's principal residence only.
2. Must have Manufacturer's Certification Statement to qualify. It is a signed statement from us certifying that the product or component listed qualifies for the 2009-2010 tax credits. Taxpayer must keep a copy of this certification statement and purchase receipts for their records, but do not have to submit a copy with their tax return.
3. Tax Credit is based on 30% of product cost up to a maximum amount of \$1500.00 from 2009 through 2010.
4. Improvements purchased and installed by December 31, 2009 will be claimed on your 2009 taxes (filed by April 15, 2010)
Improvements purchased and installed by December 31, 2010 will be claimed on your 2010 taxes (filed by April 15, 2011)
5. Guardian Security Storm Door must be installed in an opening with an entry door and must have a glass panels installed in the storm door.

Please Note:

All qualifying models and glass styles are listed as of May 31, 2009. Due to ongoing product changes and revisions of industry standards and requirements, this information will be updated periodically to reflect those
